

Flutter bracelet

This bracelet final length is 20cm (8") to fit a wrist size 16.5cm (6 ½ "). Adjust for your size.

1. Lay out your jumpings and components in the sequence you'll be making the bracelet
 
2. Open the 6mm jumping (OJR) and add the lobster clasp or if you're using toggle clasps, then add the toggle clasp. Close the 6mm jumping. Open the first 12mm jumping and add that clasp section. Close the jumping.
3. Open a 14mm jumping, add a ceramic daisy, then the 12mm jumping with the lobster clasp attached, Close the jumping.
4. Open another 12mm jumping, add it to the 14mm jumping section, and then slip on 3 stars or 3 round washers, in the combination: Colour 1, colour 2, colour 1. Close the jumping. In the next 12mm jumping, you'll change the colour combination to colour 2, colour 1, colour 2.
5. Open a 14mm jumping, add another daisy followed by the 12mm jumping section. Close the jumping.
6. Repeat steps 3 and 4 and remember with each alternate 12mm jumping, the colour combination changes.
7. On the final 12mm jumping, add a 10mm closed jumping. That completes the bracelet.
