INSTRUCTIONS FOR MAKING A PURPLE BEECH DESIGNS MANDY BLOSSOM BRACELET

Components:

Unicorne teardrop beads:

14 x teardrops

Findings:

6 x Sterling silver double cross tubes

28 x 4mm balls or 4mm Swarovski bicones

2 x crimp covers

2 x crimp beads

46 cm of 21 or 49 strand bead stringing wire

2 x closed jumprings

1 x lobster clasp with open jumpring

Makes a bracelet for a wrist size up to 6 $\frac{3}{4}$ "/173mm.

1. Using one of the closed jumprings, thread the wire through so that you have equal lengths; put a crimp over both wires and crimp closed. Carefully squeeze a crimp bead cover over the crimp.
2. Add either a 4mm ball or a 4mm Swarovski then a borosilicate teardrop bead to each wire, followed by 4mm balls/swarovskis again.
3. Slip on a cross tube onto each wire pushing through the holes
4. Repeat step 2.
5. Slip a crimp over both wires: thread through a closed jumpring and then back through the crimp bead. If you are having difficulty with this last step, use your chain nose pliers to push the wire through
6. Crimp securely in place with your pliers
7. Squeeze a crimp bead cover over the crimp
8. Attach the lobster clasp to the closed jumpring
